UPPER NAZARETH TOWNSHIP

Escrow and Fee Schedule

Adopted by Resolution No. 26-04 on January 5, 2026 - Effective January 6, 2026

Land Development and/or Subdivision Fees

1. The preceding escrow and fee schedule includes costs for administrative, engineering and legal activities appropriate to the complexities of land development and/or subdivisions.

2. If, in the opinion of Upper Nazareth Township Board of Supervisors, the actual costs incurred by the Township for advertising, transcription, legal services, engineering services and professional consulting services exceeds the amount of the escrow deposited as indicated by the preceding shcedule, No zoning/building permit shall be issued until such time as the appellant shall deposit with the Township a sum sufficient to reimburse the Township for the aforesaid costs.

3. The Township may, during the course of the review of any application, require the applicant to deposit that amount sufficient to reimburse ongoing costs to the Township. Prior to final approval, the Township may suspend consideration of an application, if said sums are not paid within fifeteen (15) days of billing thereof.

4. All Escrow accounts are to be replenished to the starting amount by the applicant when the escrow account level reaches fifty percent (50%) or less. These escrow accounts will also act as construction escrow amounts to cover ongoing project costs as detailed above. Idle accounts that are $30.00 or or less will become property of UNT.

5. With each preliminary or final plan submissions in the review process the application fee will apply.

6. All Escrows must be accompanied by a completed Escrow Agreement.

7. Escrow Accounts will not be closed until all professional invoices have been received and paid.
